Subject: FQR 69270 - ONYX SPECIALTY PROCESSING, LLC (LM1616381)

Dear ONYX SPECIALTY PROCESSING, LLC,

This e-mail is to inform you that Lockheed Martin Missiles and Fire Control (MFC) has approved your organization for the following location and process:

**ONYX SPECIALTY PROCESSING, LLC
3601 THOM LAMBERT BLVD STE 200
DECATUR, TX, 76234-2394**

Approval Code Description	Approval Code	Specification Number	Revision Level	Status
MIL-STD-186 PROTECTIVE FINISHES – CODE 404 ONLY FOR APPLICATION OF AIR DRYING EPOXY PRIMER	CHXA186003	MIL-STD-186	F	APPROVED
MIL-STD-186 PROTECTIVE FINISHES – CODE 404 ONLY FOR APPLICATION OF TWO EPOXY PRIMER	CHXA186004	MIL-STD-186	F	APPROVED

The above approvals will expire on: 2/10/2028

The scope of this approval is being issued by the MFC business area of Lockheed Martin. Procurements performed for other business areas of Lockheed Martin not limited to Aeronautics, Space Systems, Rotary and Mission Systems (RMS) and LM Sikorsky may require additional surveys and/or requirements to be met.

Any changes in process, equipment, certified personnel, location and/or management used to gain approval for this process should be notified to the Buyer's Procurement Representative.

Best Regards,

Lockheed Martin MFC
Central Supplier Quality
